

In accordance with Rule 28(a)(i) of the Association I wish to make the following formal proposition:

That the existing Rule 1 of the Association be deleted and replaced by;

1. The Aim of the Catenian Association

The aim of the Catenian Association is to establish and maintain a lay environment in which men baptised and confirmed in the Catholic Church can gather together in an atmosphere of brotherly love to practise their faith, peaceably enjoy each other's company and that of their families, and support each other in times of need.

I invite the Brothers of the Cambridge Circle to support this proposal, to ask the Circle Council to endorse that support, and to submit the proposal to Provincial Council for consideration.
